Chill out in our air-conditioned FOL Community Room and watch a family-friendly movie. We have a great lin eup to share with you this summer, so get comfortable and grab some popcorn while supplies last.

July 8: Elemental (G)

The film journeys alongside an unlikely pair, Ember and Wade, in a city where fire-, water-, land- and air-reside nts live together. The fiery young woman and the go-with-the-flow guy are about to discover something elemen

tal: how much they actually have in common. (2023 93 min)

July 15: The Mitchells vs. The Machines (G)

An animated action-comedy about an ordinary family who find themselves in the middle of their biggest family challenge yet...saving the world from the robot apocalypse. No big deal, right? It all starts when, during a family road trip, they find themselves in the middle of the robot uprising, and it becomes up to them to save humanity. (2001 109 min)

July 22: Robot Dreams (NR)

Dog is living a nice enough life in 1980s New York City, but he's missing one thing: a companion. He assembles Robot, and they become the best of buddies, filling their days with fun and happiness. Then, on a Labor Day outing to Coney Island, Robot's metal parts rust, and he's unable to move - or be moved - until the beach reopens the next summer. The film is a word-free animated film based on Sara Varon's same-named graphic novel. (2023 102 min)

July 29: Marcel the Shell with Shoes on (PG)

The story of a shell named Marcel who lives with his grandmother in a suburban house used as an Airbnb. It's been just the two of them since their large shell family mysteriously disappeared two years before. Marcel inspires a documentary filmmaker to post videos to YouTube of him going about his everyday life and eventually Marcel's story reaches the ears of those who might actually be able to help him figure out what happened to his family. (2021 89 min)

August 12: Ernest et Célestine: Le voyage en Charabie/Ernest and Celestine: A trip to Gibberitia (NR)

L'ours Ernest et la souris Célestine sont les meilleurs amis du monde. Lorsque Célestine brise par inadvertance le précieux violon de son compère, ils partent en Charabie pour le réparer. Ernest redoute ce retour dans son pays d'origine. Surtout que l'endroit a beaucoup changé. La musique est maintenant interdite et seule la note do est encore permise. Un mystérieux justicier masqué tente de renverser la situation. Pris dans ce conflit, les deux comparses devront choisir leur camp. Pendant son périple, Ernest renouera avec son père, sa mère et sa jeune soeur.

Ernest and Celestine are travelling back to Ernest's country, Gibberitia, to fix his broken violin. This exotic land is home to the best musicians on earth and music constantly fills the air with joy. However, upon arriving, our two heroes discover that all forms of music have been banned there for many years - and for them, a life without music is unthinkable. Along with their friends and a mysterious masked outlaw, Ernest and Celestine must try their best to bring music and happiness back to the land of bears. (2022 80 min)

This film will be shown in French with English subtitles.

August 19: Vivo (G)

An animated musical adventure featuring all-new original songs from Lin-Manuel Miranda, the creator of the Broadway smash "Hamilton." This incredible story about music and friendship will take audiences on an epic adventure to gorgeous and vibrant locations never before seen in animation. (2021 92 min)

[Kawartha Wildlife Centre](#) and the Library are excited to continue this fun, 6-week series which teaches you about the six major classifications of animals – mammals, invertebrates, fish, birds, amphibians and reptiles.

We will look at books from the collection, listen to firsthand experiences with animals and participate in hands-on activities to help us connect more closely to the wildlife living among us and help us to interact with them in positive ways.

After completing the 6 weeks, participants will be certified as a Peterborough Wildlife Hero! If you miss a session, don't worry – you can join us again in the fall.

July 17 - Fish

July 24 - Mammals

July 31 - Invertebrates

August 7 - Birds

August 14 - Amphibians

August 21 - Reptiles
